

Chapter 7

Spiritual Laws and Commentary Against Corruption

Question: Has God said much in the Bible about the corruption, the lies and the injustice we face in America?

This section is a collection of verses, many of them spiritual laws, and my comments on them. There are many, and the goal is to help you see a truth thread about what is going on in the United States and the reason that it will end probably sooner than later, because of the just nature of God our Creator and the folly of the wicked to mock Him with their sinful ways. We, God's people, have every reason to hope in God, because the law of sowing and reaping is a check against depraved humanity running amuck with too much sin and corruption. God loves people too much for that. We should be praying for the wicked as God would have them come around to an improved condition with as much mercy as can possibly happen. But to those who will not repent, God have mercy on them, for they face severe consequences, and not in the life after, but on this earth.

“He who is often rebuked, and hardens his neck, Will suddenly be destroyed, and that without remedy.” Proverbs 29:1

God silently by His Spirit convicts people of sin often, but after a time, He only goes so far with them as stated in this spiritual law here in Proverbs 29:1. There is an end to the extended mercy. For God to say there will be no remedy is a very serious matter. If you are reading this book, but you have been sitting on the fence about certain sins you don't want to give up, I urge you to seek God and humble yourself before Him and ask for His grace and power to change. God looks on your heart, and He looks past sin at times, so you may not have to come as far to find His power as you think, for it is found at the Cross of Christ for you and millions of others like you. To convict of sin means for God to give a person Godly sorrow for their sin and shed light on their heart to want to change. Just talk to Jesus about it. (There is an Appendix at the end of this book with prayers you may use to get right with God.)

“Do not fret because of evildoers, nor be envious of the wicked; for there will be no prospect for the evil man; the lamp of the wicked will be put out.” Proverbs 24:19-20

This verse is much like the last one. Evil people are headed for destruction unless they repent and turn away from their deeds. As God’s people, we believers are told not to fret, and not to be impatient, for God is working in every situation and He uses His believers, the righteous, to pray the situation through. After you have done the will of God through prayer, you will inherit the promise from God. Why Hunter Biden is still free and Joe Biden is still walking around serving our country as President is hard to understand, but we trust God’s Word.

God often uses goodness to draw people into Him for repentance if they will see Him in the goodness. The corruption goes deep, and God’s way is to bring justice through our Nation’s laws, which can be a slow process. Donald Trump is a man who understands this, so he usually says that he will comply with whatever the law is requiring, but as President, he expected everyone else to do the same, and that is where he picked up so many enemies. He demanded money from non-paying NATO countries, and he demanded closed borders and threatened Mexico with financial loss if they did not stop migration at their Southern border. Such wisdom is rare for politicians today, and such principles and conviction too. We are fortunate to have him and that he still wants to serve our Nation.

“When the wicked are multiplied, transgression increases; But the righteous will see their fall.” Proverbs 29:16

We see this now in America, and our Nation has become the laughingstock of the whole world. We are praying for America. This here is the third scripture about a bad end for the wicked. These verses (laws) have the power to bring themselves to pass, as believers take a stand and ask God to deliver us from evil. I am reminded right now of one of Donald Trump’s prosecutors being investigated for corruption which is jeopardizing her case against him. Can’t you see how God is never wrong in the end?

When the righteous are in authority, the people rejoice; but when a wicked man rules, the people groan. Proverbs 29:2

How noticeably true this one is! #45 had \$2 per gallon gasoline. #46 by his bad policies and decisions has \$4 to \$5 per gallon gasoline, except in places in California, which is even higher. How about meat, and eggs, and just about everything else and the runaway inflation? How about the border, which is an evil agenda with #46, when #45 had been close to solving the issue through many good policies. Yes, the people are groaning, and many are living on the edge of financial destruction, and Biden is so disconnected, and tone deaf that he does not know about it or really care about it either. The DOJ and the FBI are out of control, and there is nothing to rejoice about with them.

“Evil men do not understand justice, but those who seek the Lord understand all.” Proverbs 28:5

The DOJ under Biden is not following the Constitution and is violating rights of individuals, and they are particularly focused on right wing conservatives to bring prosecution against them. They will not arrest leftist protestors no matter what they do, but quickly arrest conservative right-leaning protestors for minor crimes. The left cannot see this due to having blinders on. The Apostle Paul said, ***“whose minds the god (Satan) of this age has blinded, who do not believe, lest the light of the gospel of the glory of Christ who is the image of God, should shine on them.”*** 2 Corinthians 4:4

“Do not lie in wait O wicked man, against the dwelling of the righteous; do not plunder his resting place; for a righteous man may fall seven times and rise again, but the wicked shall fall by calamity.” Proverbs 24:15-16

The DOJ and the FBI raid people’s homes, but not people on the left, but rather people on the right. This verse right here shows that God was not pleased with the Mar A Lago incident. Roger Stone’s house was raided in the early morning

hours to embarrass him and President Trump, just for show. The treatment of the Mar A Lago house raid that #45 got as a former President was incredibly callous and mean and was meant to show his supposed guilt to the public. It was all leaked and it smacks of an evil scheme. (He who plots to do evil will be called a schemer. Proverbs 24:8 - The DOJ)

A Christian man protesting at an abortion clinic had pushed an opposing person who got inside his son's space, and for that, his home was raided by many armored agents and Feds and his wife, and children were terrorized. But pro-abortion protestors who illegally went to Supreme Court Justices' homes were never even arrested. The left gets treated one way, and the right gets treated another way. According to the verse here, the wicked who raid homes to show forth a narrative will fall, and will see troubles, but the righteous will fall seven times and rise again, and God will see to it.

“Whoever digs a pit will fall into it, and he who rolls a stone will have it roll back on him.” Proverbs 26:27

Joseph's brothers threw him into a pit, but God saw Joseph to safety and worked miracles to bring him into power in Egypt. Later, those brothers had to face him in Egypt, and he was their master and lord and could have put them to death on the spot. But Joseph was righteous and loving, but he let them stew in it for a while. Then, he cried bitterly with joyful tears and embraced them and saved them from famine and certain starvation.

Jesse Smollett tried to frame MAGA people for a supposed attempted lynching, by spinning a lie about it and hiring two black men to stage it; while at the same time, Kamala Harris and Cory Booker were trying to get a bill on lynching through the Senate. Does anyone smell conspiracy here? (With all the problems facing our Nation, these Senators were focused on this decades old practice. I am pretty sure lynching was already illegal when they created this bill.) Smollett stumbled into his own pit, and the stone rolled back on him, and his reputation and career are done. The Donald Trump indictments are of this nature, and God does see it and knows that there is a reckoning coming to people who abused their power to try to “get Trump.” It won't be revenge by any person, but rather it will be a reckoning of God.

“A disciple is not above his teacher, nor a servant above his master. It is enough for a disciple that he be like his teacher, and a servant like his master. If they have called the master of the house Beelzebub, how much more will they call those of his household! Therefore, do not fear them. For there is nothing covered that will not be revealed and hidden that will not be known.” Matthew 10:24-26

Jesus' words here reveal spiritual law about the wicked attacking His followers verbally and with the law too. Donald Trump has a saying: “They are not after me, they are after you, and I am just in their way.” That is a correct assessment. But there is another layer here revealed in this verse. #45's platform as a President was a righteous one. It still is. Anti-abortion, closed borders, more power and freedom in the people's hands, financial stability, removal of corruption, and much more. This is quite Christlike to have these policies, and the devil hates them and hates Trump. It is the God hatred that Trump's enemies possess that drive them to persecute him and the followers he has, for they hate the fact that God established this Nation, and they do not want to believe it, and they want to re-create the USA in their own image and veer it away from God's influence and create a perverted version of it. This is from Hell and is demonic and evil. But Jesus says in this verse a law of His Kingdom, “there is nothing covered that will not be revealed and hidden that will not be known.” If they throw a cause at a spiritual law of God, they will get an effect, but it will not be the one that they want.

“A false witness will not go unpunished, and he who speaks lies shall perish.” Proverbs 19:9

Being a compulsive liar is a terminal condition according to this verse which is a spiritual law. Repentance alone is the key to be saved from it. The mainstream media go to work every day to tell more lies. They do not know what they are doing, so, Father, forgive them. How many politicians that we have seen over the years, are total liars? Many of them believe that they are not lying, because they do not know the truth. There is one cure for this condition. Jesus said to him, ***“I am the way, the truth, and the life. No one***

comes to the Father except through Me.” John 14:6 (See the Appendix for prayers to be saved and restored to God.)

“If a ruler pays attention to lies, all his servants become wicked.”

Proverbs 29:12

This scripture here is interesting in the case of our current White House and Administration. It is apparent that Joe Biden does not make many of his own decisions. (Unless it is over the flavor of ice cream) People say that he has handlers around him steering him on policy and in most issues. Imagine being in those persons' positions. To have the ear of and influence over the most powerful position in the Nation and that nation is the most powerful Country on the planet is a temptation that cannot be passed by. His, Joe Biden's, people around him can lie to him, manipulate him, and guide him toward their own personal agendas no matter how evil those agendas may be. The temptation to do increased wickedness and evil opportunities taken on the part of that cabal of people will abound. We have seen this play out in reality with this President. This observation from Solomon in this scripture about lies is incredibly insightful. Of course, God said it. We also saw this play out in the story of Haman, who served in the king's court in Persia and lied to him about Mordecai.

“He who justifies the wicked, and he who condemns the just, both of them alike are an abomination to the Lord.” Proverbs 17:15

There is a group that is about the business of daily destroying one man's reputation and while covering up and hiding the wrongdoing of another. We see evidence of this every day in our Nation and it is boldly reported on the news with great glee. In more ancient times, a group of people caught in the corruption of lies like the mainstream media would have been put to death by righteous rulers who were cleaning up the country they were in. In these modern times, we do not do such things, but I only brought it up to show how serious it is what the liars are doing. They are like a cancer in our society. They are building a web of deceit to again meet a political end that they have in mind. It has been said that the media takes their lead from the CIA who has experience in mind control of the masses, and they are experts in toppling nations in different parts of the world. This is not proven, but if it were, and if

an anchor or reporter or script writer for the news agencies were to be caught in their 3rd proven lie, they should face jail time. It is not hard to catch such a person in lies with the current level of media technology that exists.

The 2nd group that this verse says is an abomination to the Lord is the current DOJ under Biden. They are soft on the left and very hard and oppressive on the right. Just observe whose homes got raided and whose did not. Observe who gets hit with felonies and then who gets a slap on the wrist and let off with little punishment. The people that burned many cities in America are free and the people that went sight-seeing in the Nation's Capital are languishing in prison. Punishments do not meet the crimes. One woman protesting an abortion clinic got 11 years in prison. Another man (HB) selling out his Nation for favors to the Chinese for bribes has yet to be charged after 4 or 5 years. These things are truly abominations to God, and these parties who commit them are violating spiritual laws and they face a future reckoning for it, if not from man, then from God.

“A false witness will not go unpunished, and he who speaks lies will not escape.” Proverbs 19:5

The verse here is from God. The Creator said it and He means it. These things come to pass, because you cannot mock God by your words and actions and get away with it. It is not easy to tell in society who gets away and who does not, for people go into obscurity and we lose track of their lives. But if you ran stats on what became of wicked people, over time, you would certainly see that they had to lie in the bed that they made, and nothing could have stopped it for these are spiritual laws of the Kingdom of God that they violated. I did not write the above verse here, God did, I am just His messenger.

“A lying tongue hates those who are crushed by it, and a flattering mouth works ruin.” Proverbs 26:28

The verse here suggests a heart motive behind lying, and that heart motive, according to God, is hate. There have been wise quotes and sayings created out of the truth of this verse, and I will share a few here. “People hate those they lie to.” “You don't love us enough to tell us the truth.” “If enough people repeat a lie, it becomes truth, and then the truth tellers become the liars.” Does this mean that the leftist media hates the American people? I believe it

does. Does this mean that the leftist in politics hate the people of the United States that they lie to? Yes, I believe it does.

“An unjust man is an abomination to the righteous, and he who is upright in the way is an abomination to the wicked.” Proverbs 29:27

This one takes little explanation. The first man mentioned is Biden. The second man mentioned is Trump. No wonder Trump is abominable to the radical left. He is upright in his ways.

“A righteous man hates lying, but a wicked man is loathsome and comes to shame.” Proverbs 13:5

This shame mentioned is when the wicked man repents in sorrow; or, when he is caught, and it is proven in court, and he gets an orange jumpsuit. We know of some that are headed for this.

Now Turning a Corner: (Until now, this chapter has mostly focused on the wicked. The following verses are selected to now focus on the righteous or the upright, which I am guessing are the people reading this book.)

“For the perverse person is an abomination to the Lord, But His secret counsel is with the upright.” Proverbs 3:32

God has little to do with the wicked, but He is revealing much to the eyes of the people who are decent and good and love their country and their God. God’s secret counsel is in this book. It plainly states here in scripture that God shares advice, counsel, plans, prayer directives and winning strategies with the upright.

“Righteousness guards him whose way is blameless, but wickedness overthrows the sinner.” Proverbs 13:6

We need to trust #45 and people like him to God, as his right standing in his persecutions he is suffering from are a place where God may deliver him and be glorified. But God is also with the people who are suffering at the hands of tyranny and injustices, and He will justify us and redeem us from the conditions set upon us by corrupt leaders.

“Those who forsake the law praise the wicked, but such as keep the law contend with them.” Proverbs 28:4

This verse shows us that we who desire to keep the laws of the land must contend with, resist peacefully, those who are evil, and declare truth to all who will hear.

“Many seek the ruler’s favor, but justice for man comes from the Lord.” Proverbs 29:26

The Lord here shows us that He does possess our justice and He is bringing it with a wave of righteous indignation and cleansing of the land from evil.

“For the upright will dwell in the land, and the blameless will remain in it; but the wicked will be cut off from the earth, and the unfaithful will be uprooted from it.” Proverbs 2:21-22

This is the last man standing principle; it will be the man and woman of God. Truth is truth. The righteous will not be moved.

“Wait on the Lord; be of good courage, and He shall strengthen your heart; Wait, I say, on the Lord!” Psalm 27:14

God’s will takes time, and we are called by God to wait and stand firm to see His deliverance; and not take matters into our own hands. After you have done the will of God, you will receive His promises. Be strong and full of courage.

“The righteous is delivered from trouble, and it comes to the wicked instead.” Proverbs 11:8

We saw this with Haman, and many others in scripture, in stories such as David and Absalom. God will help us; God will turn the tables on our enemies.

“Teach me Your way, O Lord, and lead me in a smooth path, because of my enemies. Do not deliver me to the will of my adversaries; for false witnesses have risen against me, and such as breathe out violence. I would have lost heart, unless I had believed that I would see the goodness of the Lord in the land of the living.”
Psalm 27:11-14

We need to believe in and declare God's goodness. Read the verses just above and think of Donald Trump and the hard resistance and persecution he is facing. But God is good. Think of everything Donald Trump has faced since 2015, but God is good. Think of the losses all of us have faced, with the present Administration, but God is good. O give thanks unto the Lord, for His mercy endures forever. (Psalm 107:1)

***** Chapter 7 Comments from the Author: *****

In this chapter, there was much discussion of the wicked and their fall and punishment. I only want to remind you that God is love, and He desires and needs us to be His love extended to all people, even His enemies. God gave most of the harsh statements in the verses shared, I only commented and interpreted with my opinions about what He meant. I am humble enough to know that at times, I can be wrong. But Jesus said, "love your enemies." I will also remind you that God said, "Vengeance is mine, says the Lord." Romans 12:19 He will not have us be vengeful, because he has reserved vengeance for Himself only, because he is the only One Who knows how to do it righteously and His way. By the way, that verse about vengeance is from the New Testament. God is full of grace, but He never changes. Old or New Covenant, He will avenge, and He will punish the wicked and He will justify the righteous and the upright, and these will be performed mostly through the laws of the Kingdom of God. In coming chapters, watch for a depth of understanding and what our role really is in God's kingdom in this season of lies and injustice that we are in.
