

Chapter 8

The Prince of Persia

Question: If we are fighting spiritual evil, how can we find its source, identify it, and conquer it?

We New Covenant believers are given a great understanding and revelation in the Book of Daniel in the Old Covenant. Daniel was a prophet of God, and a mighty man with an excellent spirit about him. I am not going to go into the account of the lion's den, and God's miraculous salvation from the lions. An angel was used there on the lions. That night, the lions were on a Daniel Fast. I want to focus on Daniel 10 and the drama behind the scenes spiritually with the angels. There is something here for us about the current political scene and the state of our Nation. We who intercede or simply pray for our Nation must not be ignorant of what goes on in the spiritual realm. I recommend that you read all of Daniel 10.

In verse 2-3, Daniel indicates that he was fasting for 3 full weeks, seeking God. God said Daniel had an excellent spirit. Many people in America today have excellent spirits. They are Christlike and Godly and have much faith. People today fast and pray, and they are able to move the hand of God. Many spiritual laws go into play. The same spiritual laws existed then with Daniel and also exist today. Not the law of Moses or the 10 Commandments, I am speaking of Heaven's laws.

In Daniel 10:5, an angel appeared to Daniel. This was on the heels of the fast and Daniel praying and depriving himself of certain food and comforts. The angel touched Daniel which made him tremble. He told Daniel that he was sent (from God) to Daniel on the first day of Daniel's fast. (verse 12) The angel then said in verse 13 that the prince of the kingdom of Persia withstood (blocked) him for 21 days, until Michael a chief prince of the Kingdom of God came to help him.

We now know from the whole of scripture that Michael is an archangel of God, a warrior, a leader of God's angelic armies. The angel speaking to Daniel is a messenger angel sent by God, and he is no doubt the very same type of angel as Gabriel, who was sent to Mary to announce the birth of Jesus. But I do not

believe he was Gabriel. So, who is this prince of Persia that took the warrior angel Michael to come and unseat him? I assure you that he is no man. He is a demonic ruler, a strongman of Satan, and he oversees Persia, which is today the country of Iran.

This messenger angel told Daniel he was there to make him understand what will happen to Daniel's people in the latter days. (verse 14) Then, the angel says, ***“Now I must return to fight with the prince of Persia; and when I have gone forth, the prince of Greece will come. But I will tell you what is noted in the Scripture of Truth. No one upholds me against these, except Michael your prince.”*** Daniel 10:20b

Now a new character is revealed in this drama in the heavenlies. The prince of Greece is another foe of God who is over the country of Greece. Yes, each nation has a demonic strongman over it, and sad to say, the United States of America is not excluded. God's angels know well the beings who rule over each nation including the USA, and it is something that average Christians know little about or believe. I am not going to go over here in this book what the message of the angel was to Daniel, but it was so important that Satan did not want the angel to deliver it and tried to stop him. Go read that message for yourself in Daniel chapters 10-12. Note that the angel said that Michael upholds him against these geographic centered evil beings. It appears that Michael, one of the main princes in Heaven, cannot be thwarted by evil no matter who it is. In Jude, we see an account of Michael rebuking Satan himself over the bones of Moses. But that is another revelation for another time. I call the evil princes over nations demons, but it is quite possible that they could also be fallen angels or demons, as there are all levels and types of evil beings.

I also believe that many of these evil beings inhabit the actual human leaders of the nations, and these humans are in league with them, and they all answer to the ruling prince over the nation who then answers to Satan. Satan is not omnipresent like the Holy Spirit of God, so Satan must have a very organized hierarchy of beings doing his bidding. On God's side, His leaders take their marching orders from Heaven, and those angels of God do not rule God's human followers, and guide and lead them, the Holy Spirit does that. God's

system is much more efficient, stronger and direct with God in charge, and in particular, Jesus, Commander of Heaven's Armies, Who is One with His Holy Spirit. Jesus is King of Kings and Lord of Lords, Holy and Omnipotent King of the Kingdom of God.

Fast Forward to Today

Note that what we are examining in this chapter is the existence of demonic rulers over nations and if there is anything that can be done about them. It is obvious from this book so far that God will not do away with them until their lease is up on this earth, which we established in chapter 5. Go review that part if you need to. How long is their lease? It should be the same length as man's lease, who it was given to. God's enemy has a sublet to the earth, in a manner of speaking.

Then how long is man's lease? This is speculative, but I will say if 1000 years is as 1 day with the Lord, according to 2 Peter 3:8, then man has exactly 6000 years and 1000 more for the millennial reign of Christ; if we have a time map and the 6 Creation days are the map legend. 6 Creation days prophetically represents 6000 years. We are potentially not even there yet. Why?

First, we must begin at zero, so 0 to 6000 are 7000 years. Right now, the Jewish year on their calendar is 5783. They believe we will hit 6000 in 217 years. The calendar that the rest of us use, the Gregorian calendar says we are in 2024, which means we supposedly hit the year 6000 24 years ago. It is probable that both calendars are wrong. They do not match each other because of their methods in counting years. One is faster, and one is slower. How can modern scientific man be off on what date it is? I suggest that God Himself has brought a veil of glory over the issue so that we cannot figure out the time of Jesus' 2nd coming, or the time and date that it is right now.

See the following verse in 3 versions:

“And He said to them, ‘It is not for you to know times or seasons which the Father has put in His own authority.’” Acts 1:7 NKJV

“But He said to them, ‘It is not for you to know periods of time or appointed times which the Father has set by His own authority;’” Acts 1:7 NASB

“He said to them: ‘It is not for you to know the times or dates the Father has set by his own authority.’” Acts 1:7 NIV

God has scattered mankind’s ambitions before such as at the Tower of Babel. I could see Him clouding men’s minds and giving them a “rock of stumbling” so that they do not know the current date or Jesus’ return date either. Then, since the possible map legend of 2 Peter 3 shows us the lease is 6000 years, plus a 1000 year reign of Christ, (matching the day of rest) we can then know the end of the lease is soon, but we cannot figure out what day it is now so we can’t know exactly when it is up. That would fulfill Jesus’ comment above about the Father only knowing the times and dates in Acts 1:7 as accurate and exact truth coming from the unbreakable Word of God. It looks to me that when we hit 6000 years from Creation, Jesus takes over the rule of the earth and gives it a season of rest for 1000 years. That is man’s lease. The lease is obviously not up yet, and we may not have hit the 6000-year mark since Creation.

Back to the Demons/Evil Rulers

One of them asked Jesus, **“And suddenly they cried out, saying, ‘What have we to do with You, Jesus, You Son of God? Have You come here to torment us before the time?’”** Matthew 8:29 Obviously, they know their time has an end date and they know it is approaching quickly. Their time runs out.

As I already mentioned, there are evil rulers over America in place and ready to corrupt and bring down the belief in God in the people. Egypt was a highly demonic society at the time of Moses. The reign of the Pharaohs saw great prosperity, technology like mummification, astrology, arts, science, and much more. Do not think for a moment that it was not demonically ruled. There was a Satanic prince over Egypt ruling through Pharaoh and there was a great hierarchy of evil beings under this prince. Remember Pharaoh’s magicians who laid down their rods and they turned into serpents? Then Moses’ serpent created from his rod by God, devoured those serpents and showed complete dominion over the spirits in the magicians.

Egypt highly prospered because of Satan. They held the Jews as slaves. They put God’s people in bondage. But God had a plan and Moses was His man to deliver it. I have always seen Moses as a prophetic figure representing Jesus

and also the Church. The signs and wonders of the Church are seen in the prophetic miracles of Moses. In just weeks, this whole nation of Egypt was overthrown by the miracles of God through Moses. My point here is, when God is ready to move, no evil being and no person on earth can stop that move of God and a nation can be won in a day. (Isaiah 66:8)

Another great example is Nazi Germany and Hitler. That man had a huge demon strongman inside him, guiding his every move. Notice that he and his top aides were heavily into the occult and all of them also full of demons. They sought their gods and sacrificed to them, and the Jews were the sacrifice, and the Holocaust was the event. Satan rewarded Hitler with power. Some of the European nations thought him to be invincible when his army kept on coming and coming and coming. But God used America, and the allies, and Godly men like Churchill, Patton, Eisenhower, and more, and God led many people to pray, and God gave leaders genius battle plans, and the demonic Nazi horde was vanquished, and Germany was brought to its knees. Again, like Egypt, a nation was toppled by God and the demon ruler over it was brought down also. But today, Egypt and Germany have evil rulers from Satan over them functioning differently but still functioning. That vacant spot never stays empty very long. But do not think that demons do not rule in the nations that don't act out and do not commit atrocities. Every nation on earth, no matter how nice it is, has demonic influence in it, and over it.

I also believe that states, provinces, and cities even down to small towns and villages have demonic rule over them. Remember, Satan told Jesus ALL the kingdoms of the earth belonged to him. One day, we will understand just how large and complex this hierarchy of Satan was and how the whole earth was covered with darkness, except for the existence of God and His Church, which is more powerful. Right now, we must operate with what we cannot see physically with our spiritual eyes of faith based on revelations like the ones shared in this book. Now while on this, most corporations, government agencies and countless organizations are led and overseen by demons and evil beings of Satan. In Revelations, it speak of the kings (government agencies) and merchants (corporations) of the earth in bed with Babylon the great, a habitation of demons, and they deal with all manner of goods and merchandise and their goals are to win for the evil one the souls of men.

(Revelation 18:2-13) But remember, one believer can take anyone of these demons or entities and organizations down at any time, for the Holy Spirit of God backs us up. This will help you in your next battle with evil in your life; you can win every time against corruption in government and business. Just stand and pray now that you know your enemies, for they are all weaker than the Spirit of God in you.

As previously stated, when Satan tempted Jesus in Matthew 4:8-9, he showed Jesus all the kingdoms of the world, and said he would give them to Jesus if he would worship him. Jesus refused and rebuked him. But what Jesus did not say is, "you liar, those are not your kingdoms to give." In fact, how would it be tempting to Jesus if God owned them, and Satan did not? God may own the dirt, but the worldly kingdoms are owned by Satan. He has had thousands of years to get entrenched in each nation and rule it by deception, and to assign princes from his evil kingdom to rule them.

Now look at Biden. Many of his decisions do not make sense. No sane man would make some of his decisions like open borders. Biden seems feeble minded. This kind of person is most heavily used by evil beings to perform their agenda. The Biden agenda is an agenda of Hell. The answer is that there is a ruling being in Biden. It has affected his very mental processes. This is where it takes faith to accept this. It is a spiritually discerned concept. Did you ever ask yourself, "how can so many people on the left tell so many lies? The mainstream media, the Democrats in Congress are just some of the liars. A better question might be, "how can so many ignore so much truth?" Biden lies and is good at it. He was a plagiarist in college and in his political career.

Jesus said to the Pharisees: ***"You are of your father the devil, and the desires of your father you want to do. He was a murderer from the beginning, and does not stand in the truth, because there is no truth in him. When he speaks a lie, he speaks from his own resources, for he is a liar and the father of it."*** John 8:44 This passage shows us where lying originated in the human race, and Satan has many millions of demons called lying devils, who are sent into people to inhabit them.

Now let's discuss injustice. Injustice is usually based on lies. There are twisted demonic entities who work towards destroying good people. They

used wicked people to do it. We saw many lying devils come forth through the left in the confirmation hearings of Justice Kavanaugh to commit injustice against him. The ambitious prosecutors who indicted Donald Trump are inhabited by evil beings. They have no conscience in the matter. It does not matter to them that he is an underdog, and everyone has dumped on him, and he has had no break from persecution since 2015. Many right leaning attorneys and even neutral attorneys have commented that these prosecutors have no evidence and many of their arguments are not based on sound law. Why would they risk their careers to commit abuse of power if they were not full of evil beings?

Paul told us that we can combat, silence, and take out these evil beings. Each believer in Christ is equipped with an anointing of authority through faith and prayer to stop these beings. But believers first need to see it, and understand it, and then do it. Read what Paul said:

“Finally, my brethren, be strong in the Lord and in the power of His might. Put on the whole armor of God, that you may be able to stand against the wiles of the devil. For we do not wrestle against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this age, against spiritual hosts of wickedness in the heavenly places.” Ephesians 6:10-12

When believers begin to believe, and pray, Hell cannot stop them. Just as God brought down Egypt through a faith-filled man, Moses; and God brought down the demonic Hitler and his Nazis through praying allies and good battle strategies, and brave young men willing to die for the cause, then God can turn America around if we people stand and fight, in the spiritual realm, not a physical battle, and with no rebellion outwardly. If you wish to fight on God’s side, you will declare truth, pray like never before, and use the ballot box. But do not incite rebellion. That is carnal, and not spiritual.

“If My people, who are called by My name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and heal their land.” 2 Chronicles 7:14

Our battle is a spiritual one. I am not a pacifist. This is how Jesus taught, and this is how Paul taught. Your Bible is more powerful than a gun. We can win politically without even firing a shot. Washington DC is a cesspool of demonic entities, and lying Democrats are not the problem, it is those evil beings. Remember, God says to love your enemies, but we do vengeance on the devil and his evil beings. That is the solution. That is the message of my book here. We believers can ban together and unite and pray and scatter the hosts of wickedness in heavenly places. There is a realm, and place where these beings hang out. That is the heavenly places Paul is referring to in the Ephesians scripture.

Get these words of Paul deep down on the inside of you: “We do not wrestle against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this age,” – our fight is not with humans.

The following excerpt is from my fiction novel about America, called **Hungry Nation**. In it, I show this system of evil beings from Satan and how they lead and work in people and rule through them. This excerpt is where Justin, the Spirit filled man of God and main character of the novel, is in the White House observing the discussion of the President and two of his cabinet members. Justin is with some angels and is not visible to the people there, but only to the evil beings there. Justin then speaks out a declaration using his faith and watches what happens.

Hungry Nation Excerpt:

“The next thing he knew, he was standing in the Oval Office and the President was sitting behind his desk. The President’s Czars, the Head of Homeland Security and the female Director of the SSO sat nearby. Justin saw one of the winged creatures over in the corner, and it was looking at him. It could see him. He had never seen one of these creatures up close and sitting quietly where he could actually study it. It was monstrous and hideous and quite evil looking. Its eyes were red and it breathed heavily. This creature was taller than the room and had to slump over just to be in it. There were also about twenty demons in the room, each standing around but doing nothing at the moment. As the President sat at his desk, Justin saw that his eyes were

glassed over as if he had been drinking. He looked tired. There was a demon being in him. Justin considered that it was strange how he could see the President, but also the demon that possessed him. This demon was not like the other demons he had seen or like the ones milling around the room. This demon seemed to carry more weight and more importance and more authority; it was no doubt a strongman of Satan. The two Cabinet heads also had a demon inside each one of them. These human czars as they were called had an evil influence helping them to carry out their position.

Justin realized he had entered in the middle of a conversation. He heard the head of Homeland Security saying to the President, "If the Country keeps deteriorating, you will have nothing left to rule."

The President nodded and said, "Just the same, I believe now, because of enacting martial law, we have the justification to postpone the elections in November until at least six months out." The President's statement was from both himself and the creature who was dominating him. They were in perfect sync, in perfect harmony. Justin realized he was getting an inside glimpse of how demonic possession worked. The President seemed to have come into agreement with the demon strongman that now resided within him.

Suddenly, the winged creature cried out and the evil spiritual beings all around the room looked up. All of their eyes were on Justin. But it was too late, Justin had heard enough and they knew it. The beings pulled slightly back and abruptly looked over to Justin's right and then to his left. He looked there himself, and saw an angel standing on each side of him about eight feet away. He didn't recognize the angels, but they looked at him and nodded. He had an escort. His heart was warmed with the love and knowing that His Heavenly Father cared about him dearly. These beings would try nothing with these angels nearby.

Justin knew that the President and his two czars could not see him at all; nor could they see the angels. But every evil being could see all three of them and just stared at them. The strongman was looking over at Justin while the President was looking all around. The humans were in a state of confusion. The beings had not even revealed themselves to these poor pawns that they inhabited. In a flash of light God gave Justin a monumental revelation. This

President, and his two minions, was not the enemy. The strongman and the demons in the three of them were the enemy. And these people were every bit the victims that anyone else was. The poor President did not know that his thoughts were coming from a strongman of Satan. He thought that they were his own ideas. He had said he wanted to delay the elections. But that was not him; that was the strongman's influence. How many Christians were about hatred for this man when they should be about love for him and hating the evil in him? This is why Paul said to pray for those in authority.

Since the three people conversing in the Oval Office could not see Justin, he felt he could speak to these beings. God gave him boldness and faith rose up in him. Justin remembered Jesus' words, "if you first bind the strongman, you can plunder his house and steal his goods."

Justin spoke out, "You foul strongman in the President; I bind you from speaking to him and command you to let him go in Jesus' name." Justin realized he could have done this in prayer from Wenatchee, Washington if he had had faith for it. God had to bring him here to show him what Christians can do. Justin looked at the President; he seemed dizzy and then suddenly his head dropped to his desk with a huge thud. Justin looked at the President's two czars. They were staring with mouths agape at the President.

Before they could react, Justin said, "You two demons get out of them now." The head of the SSO put her hand on her head and rubbed it as though she was having trouble concentrating and the head of Homeland Security began to have a coughing fit. Justin looked at the three. He no longer saw either demon or the strongman anywhere near the people that they had been occupying just moments before. They had left the room completely. Justin turned toward the winged creature that was shifting back and forth uncomfortably on his clawed feet. He said, "'Socialism,' get out of here." Not hesitating at all, the creature flew out through a wall. Justin looked at the rest of the demons in the room. "All of you go." They all vacated the room.

End of Hungry Nation Excerpt

***** Chapter 8 Comments from the Author: *****

I wrote the novel *Hungry Nation* about spiritual evil in America in 2011. I first learned this revelation back around 1990. This chapter called *The Prince of Persia* is only a small part of what the Holy Spirit taught me, and it deserves its own book on the subject. Our political enemies are not our true enemies and God has shown us that. I titled this chapter “*The Prince of Persia*” for a reason. Note that many of my chapter titles were God’s enemies. Haman, Goliath, and *The Prince of Persia*, Ananias and Sapphira, instead of Esther, or David, or Daniel, or Peter. I did that for a reason. I wanted to show New Covenant believers in Christ that God’s and our enemies are no longer people, but are the evil beings behind all the corruption, lies, and injustice. The people who do such things are pawns and victims of spiritual evil. Goliath was prophetic of the spiritual beings we face now in this day. So was Haman. The people caught in the clutches of these beings are to be pitied and prayed for. I knew that I could not “write” this book without making it “right,” by counterbalancing it with many discussions of the love of God and His heart for the lost, and we believers understanding who our true enemies are.

Many believers are shocked when they learn how great the influence and infestation of demonic and evil beings is in society, colleges, government, and even churches and seeming spiritual organizations. We see that the wicked people are run by evil beings but can only progress so far and then those frail people get put in check by spiritual laws until another pawn picks up their evil cause and runs until that person also gets put in check by God’s ordinances of Heaven. But here is the binding tie. God’s people can intervene and intercede with the gifts and spiritual power given to them by God and clean house, so to speak, of pure evil. Like Justin did in my novel *Hungry Nation*, we can cleanse and clear out the halls of Congress, the White House, and the Court system both Federally and in each state. The society can be improved and upgraded by God’s people moving in signs and wonders and exalting Jesus as Lord and walking in their Divine authority and God given power. Washington D.C. can be freed of evil powers, and do the same down to each state, city, town, village, and hamlet. The stranglehold of corruption is broken and gone. Bless Jesus forever!
